

Prism[®] Mattress

Warranty 5 Years

35" x 84" x 6"

Modular Design

All components, including foam insert and cover are replaceable.

Gatching Notches

Notches allow mattress to move with bed frame for safer patient positioning and less foam fatigue.

Antimicrobial Cover

One-piece clam-style cover is treated with butyl-neoprene coating to facilitate ideal moisture vapor transmission rates. Cover is antimicrobial *Staph-CHEK[®] with built in handles for easy transport.

Handles

Built-in handles allow for easy transport and evacuation.

Velcro Fasteners

Velcro fasteners, located on the underside of the mattress, secures mattress to frame.

Polyethylene Barrier Liner

A smooth, transparent liner over the foam insert helps to reduce the effects of shear and friction.

Prism Base

All Prism bases are constructed of Reflex Plus Foam, an advanced polymer cushioning material designed to improve comfort, quality and performance. Each Prism base and insert is manufactured with the most advanced foam technology available today.

Inserts

Triad – Constructed of Reflex Foam and designed with integrated notches to help minimize pressure on the patient's body as the bed is raised and lowered.
